ABOUT US

Established in 2020, **Halda Denim** is a dedicated denim garments manufacturer based in **Narayanganj, Bangladesh**. We specialize in crafting high-quality denim and casual wear, including **baggy jeans, trousers, jackets, and polo shirts**, tailored to meet the latest fashion trends and international standards. With a skilled workforce and a steadily growing production capacity, Halda Denim serves major markets across **America, Europe, and the Gulf countries**. Our reputation is built on consistent quality, timely delivery, and a commitment to customer satisfaction. At Halda Denim, we take pride in combining modern manufacturing techniques with attention to detail at every stage—from fabric sourcing to final finishing. Though we are a relatively young company, our ambition and reliability have already positioned us as a trusted partner to global brands. We don't just produce garments—we deliver style, quality, and value that help our clients stand out in a competitive market. Whether you're launching a new line or expanding your existing brand, **Halda Denim** is ready to bring your vision to life.

Our Mission

At Halda Denim, our mission is to produce high-quality denim and casual wear that exceed the expectations of our clients while maintaining a focus on reliability, precision, and timely delivery. We strive to provide innovative, cost-effective, and stylish solutions tailored to meet the diverse needs of global markets. With a strong commitment to craftsmanship and modern manufacturing practices, we aim to deliver products that are not only fashion-forward but also durable and comfortable. We are dedicated to fostering long-term relationships with our customers, supporting their growth, and ensuring that every garment we create enhances their brand's reputation. By continuously improving our processes, investing in technology, and maintaining a skilled workforce, Halda Denim aims to be a trusted, responsible, and dynamic partner in the global fashion and garment manufacturing industry.

Our Vision

At Halda Denim, our vision is to become a leading global provider of premium denim and casual wear, known for our commitment to excellence and innovation. We aim to continuously set new industry standards by blending cutting-edge manufacturing technologies with traditional craftsmanship. By delivering high-quality products with impeccable attention to detail, we aspire to be the trusted manufacturing partner for top brands worldwide. Our goal is to expand our presence in key international markets, ensuring that every piece of clothing we produce not only meets the fashion needs of today's world but also anticipates the demands of tomorrow. As we grow, we are committed to fostering long-term relationships with our clients, offering exceptional service, and contributing positively to the communities and environments we operate in. Halda Denim envisions a future where our brand stands synonymous with quality, reliability, and sustainability in the denim industry, and we are dedicated to helping our clients succeed by offering them superior products and solutions.

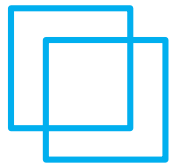

Chairman Message

Established in 2020, our factory has been dedicated to producing high-quality knitted garments. With a workforce of over 600 skilled workers, we achieve a monthly output of approximately 120,000 pieces. Our product range includes a wide variety of clothing styles tailored to meet diverse market demands. Our garments are primarily exported to the United States, Europe, and Gulf countries. We are proud to be a fixed and reliable manufacturing partner for numerous internationally renowned brands. Equipped with state-of-the-art machinery and a robust quality assurance system, we ensure consistent excellence in every product. Our tested techniques and expert craftsmanship enable us to meet the highest industry standards. In addition to our in-house capabilities, we have dedicated cooperative factories that handle large-scale dyeing, printing, embroidering, and washing. These facilities are well-equipped to fulfill all requirements necessary for producing premium garments. Our design and sampling teams are committed to staying ahead of trends, continuously developing the latest and most appealing styles for our clients. Beyond just sample making, we provide innovative ideas and garment solutions to support your creative vision. Our export development and sales department is focused on delivering exceptional service through proactive communication and collaboration. We aim to simplify your sourcing process and help maximize your profitability. We fully understand that top-tier quality and reliable service are the foundations of effective production. When your garments are in our hands, rest assured—we're more than happy to deliver excellence.

WHY PARTNER WITH US

Manufacturing

Our dedicated teams ensure high quality and craftsmanship standard remains consistent whether order quantity is 1,000 or 100,000 pieces

Lead Time

- ❖ 70-90 days from fabrics approval (Local Fabrics)
- ❖ 90-120 days from fabrics / print design or color selection (imported fabric by sea shipment).

Process & quality

A strict regime of internal audits, critical process check, 3rd party testing on fabric / accessories / garments and Pre-final Inspection @ AQL 2.5 are done prior to shipment.

MOQ

Minimum order quantity is 2,000 pieces per color, per style. A large order quantity allows higher efficiency at a reduced manufacturing cost.

Design & Develop

We can assist customer creating fits and design for garments. We offer choices of fabrication, wide range of accessories and different packaging method: flat pack, boxed pack, hanging garments, etc.

HR & Policy

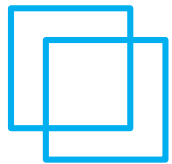

We follow a strict Code of Conduct (CoC) imbedded in our corporate HR policy – a guideline to follow our company's rules and regulations and value every individual, including our employees and customers.
